NOTICE OF PROPOSED RULE MAKING**Adopted: August 2, 1996****Released: August 9, 1996**

Comment Date: September 30, 1996

Reply Comment Date: October 15, 1996

By the Chief, Allocations Branch:

1. Before the Commission for consideration is a petition for rule making filed on behalf of Terry L. Dunning ("petitioner") requesting the allotment of FM Channel 299A to Weaverville, California.¹ Petitioner failed to state an intention to apply for Channel 299A if it is allotted to Weaverville, as requested, and should do so in response to this *Notice*. Failure to provide the requisite commitment could result in a denial of the request. See the Appendix to this *Notice*.

2. A staff review of the proposal indicates that Channel 299A can be allotted to Weaverville in conformity with the minimum distance separation requirements of Section 73.207(b)(1) of the Commission's Rules without the imposition of a site restriction, utilizing the city reference location at coordinates 40-44-00 and 122-56-24.

3. In consideration of the petitioner's interest in providing an additional local aural transmission service to Weaverville, California, we will propose to allot Channel 299A to that community. Accordingly, we will solicit comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to Weaverville, California, as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Weaverville, California	276C2	276C2,299A

¹Although petitioner states that requested Channel 299A would provide a first local transmission service at Weaverville, Channel 276C2 was recently allotted to that community in a consolidated proceeding involving MM Docket Nos. 94-76 and 94-77. See 11 FCC Rcd 5288 (1996); *recons. pending*.

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before September 30, 1996, and reply comments on or before October 15, 1996, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner's counsel, as follows:

Richard A. Helmick, Esq.
Cohn and Marks
1333 New Hampshire Ave., N.W.
Suite 600
Washington, D.C. 20036

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Nancy Joyner, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte

presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
